## para refletir...

“A vida não é um placar. O importante não é quantas pessoas telefonam para você, nem com quem você saiu ou está saindo. Também não importa se você nunca namorou ninguém. O importante não é quem você beijou, que menino ou menina gosta de você. O importante não são seus sapatos, nem seus cabelos, nem a cor da sua pele, nem onde você mora. Na vida nada disso é importante. O importante na vida é quem você ama e quem você fere. É como você se sente em relação a você mesmo. É confiança, felicidade e compaixão. É ficar do lado de amigos e substituir o ódio pelo amor. O importante na vida é evitar a inveja, não querer o mal dos outros, superar a ignorância e construir a confiança. É o que você diz e o significado de suas palavras. É gostar das pessoas pelo o que elas são e não pelo que têm. O importante na vida são as escolhas!”
